Subject: Letter to EPA regarding Coffee Creek in Crossett, Arkansas

Dear Colleagues:

Attached please find a letter to EPA's administrator about EPA's failure to respond to the September 10, 2015 Ouachita Riverkeeper Petition for a Determination that Revised Water Quality Standards are Necessary for Coffee Creek and Mossy Lake in Arkansas. This issue is related to the Title VI, Environmental Justice petition that the Waterkeeper and LEAN submitted to EPA OCR. See

As always, we would appreciate the opportunity to work these issues out cooperatively. Thank you – ab
